## 5th Annual Youth Development Symposium

November 16-19, 2004

Chicago Marriott Downtown – Chicago, IL

Plan now to join us in downtown Chicago for the 5<sup>th</sup> Annual **Youth Development Symposium**, (formerly sponsored by DOL/ETA Region 5) this year, sponsored by the *National Association of Workforce Development Professionals (NAWDP)* and the *Great Lakes Employment and Training Association (GLETA)*. We invite you to be a part of this most exciting and productive symposium that will provide best practices information, program models, WIA guidance, and response to the issues that concern workforce development professionals, like you, who plan and deliver youth programs. Come learn about DOL/ETA's new vision for youth services, better ways to collaborate with youth partners to support youth goals, and how to better connect with employers. Save the date and come to Chicago to get the information you want on planning and delivering effective youth programs, while enjoying the Windy City's pre-holiday excitement!
